In the realm of streaming services, fuboTV has emerged as a leading platform, offering a rich array of live sports, TV shows, and movies. With its extensive channel lineup and user-friendly interface, fuboTV has become a top choice for entertainment enthusiasts. If you're a fubo.tv/roku-connect user eager to access fuboTV's content on your device, you're in luck. In this comprehensive guide, we'll show you how to get fuboTV on Roku devices, allowing you to start watching your favorite channels in no time.

### Why Choose fuboTV on Roku?

Before we delve into the installation process, let's explore why fuboTV on Roku is a winning combination.

1. **Extensive Channel Lineup**: fuboTV boasts an impressive selection of channels, including major networks like ESPN, NBC, FOX, and more. Whether you're a sports fan, a movie buff, or a TV show aficionado, fuboTV has something for everyone.
2. **User-Friendly Interface**: Roku devices are renowned for their intuitive user interface, making navigation a breeze. By combining fuboTV's content with Roku's platform, you'll enjoy a seamless streaming experience from start to finish.
3. **Flexibility and Convenience**: With fuboTV on Roku, you have the flexibility to watch your favorite content anytime, anywhere. Whether you're at home or on the go, Roku devices make it easy to access fuboTV's extensive library of content.

### Step-by-Step Guide: Getting fuboTV on Roku Devices

Now, let's walk through the step-by-step process of getting fuboTV on your Roku device:

#### Step 1: Power on Your Roku Device

Begin by powering on your Roku device and navigating to the home screen. If you haven't set up your Roku device yet, make sure to complete the initial setup process before proceeding.

**Step 2: Access the Roku Channel Store**

On the Roku home screen, locate and select the "Streaming Channels" option. This will take you to the Roku Channel Store, where you can browse and download a variety of channels and apps.

**Step 3: Search for fuboTV**

In the Roku Channel Store, use the search function to find the fuboTV app. You can either type "fuboTV" using the on-screen keyboard or use voice search if your Roku device supports it.

**Step 4: Select and Install the fuboTV App**

Once you've located the fuboTV app in the search results, select it to view more details. From there, choose the "Add Channel" option to download and install the app onto your Roku device. Depending on your internet connection, this process may take a few moments to complete.

**Step 5: Launch the fuboTV App**

After the fuboTV app has been successfully installed on your Roku device, return to the home screen. Navigate to the list of installed channels and locate the fuboTV app icon. Select it to launch the app.

**Step 6: Sign in to Your fuboTV Account**

To access the full range of features and content available on fuboTV, you'll need to sign in to your account. If you're a new user, you can sign up for a fuboTV account directly through the app. Otherwise, enter your credentials to sign in and start streaming your favorite channels.

## fubo.tv/roku-connect: A Shortcut to Installation

For added convenience, you can use the URL fubo.tv/roku connect as a shortcut to access the fuboTV app on your Roku device. Simply enter this URL into the web browser on your computer or mobile device, and you'll be redirected to the fuboTV app page in the Roku Channel Store. From there, you can follow the same steps outlined above to download and install the app onto your Roku device.
